ABOUT US

WUYI SHIRONG HOME ARTICLES FOR USE CO.,LTD Established in 1995, it is a modern enterprise specializing in the development, production and sales of all kinds of BAKEWARE, OVEN TARYS, CARBON STEEL and ALUMINUM COOKWARE as one.

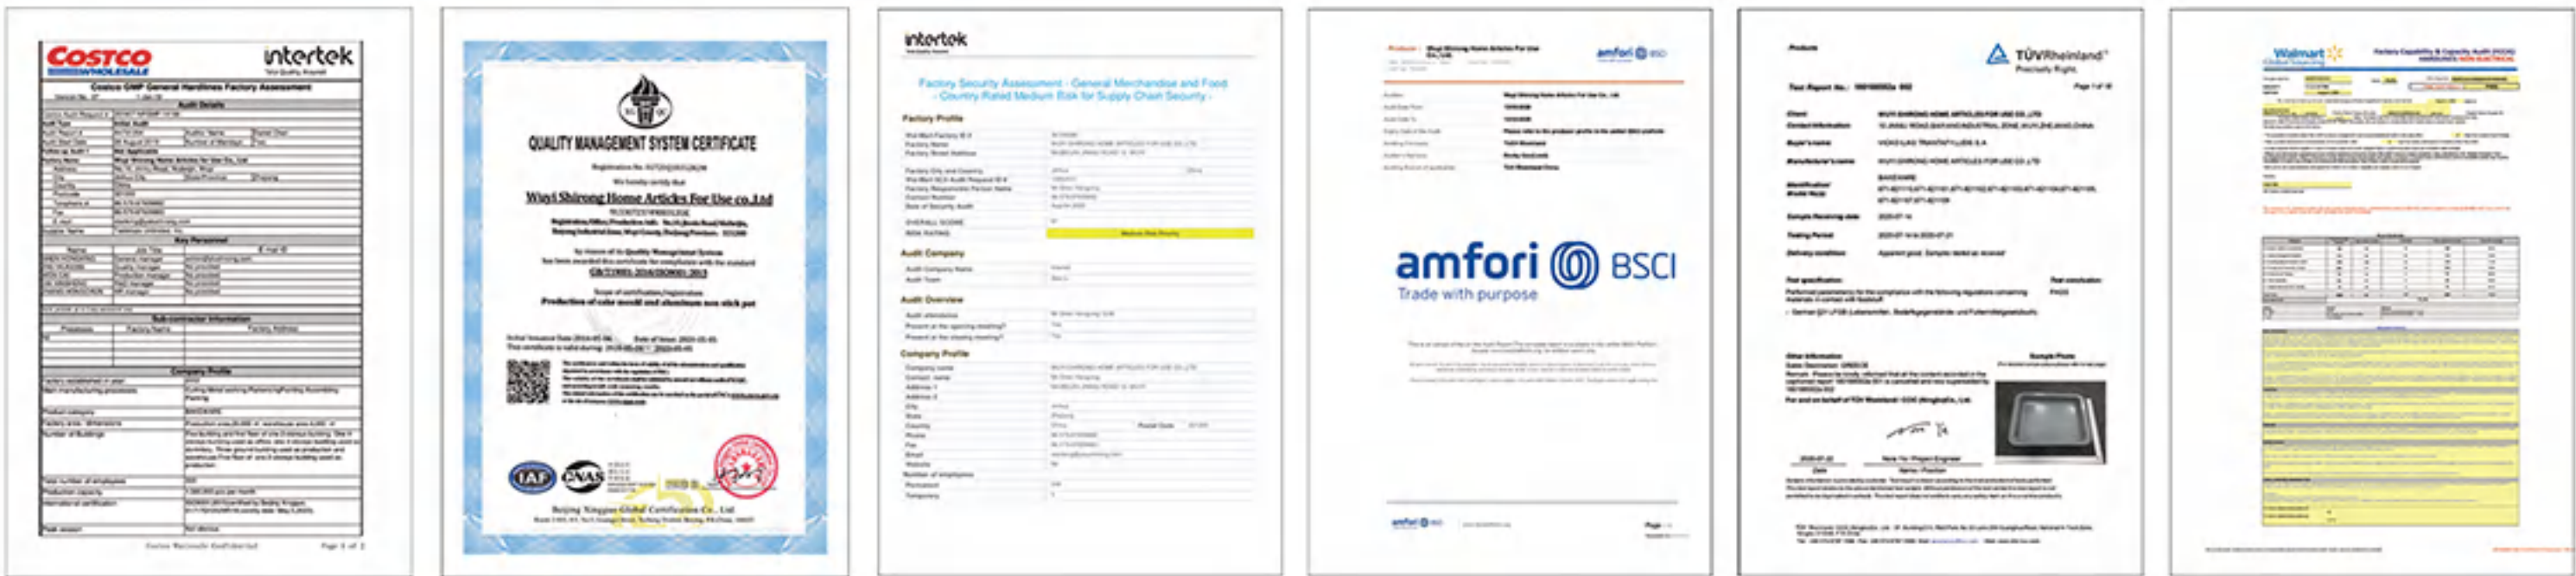

The factory is located in Wuyi Baiyang Industrial Zone, Jinhua City, Zhejiang Province, and currently has a workshop covering an area of more than 50,000 square meters.And has more than 300 people of the management, research and development, professional and technical personnel.

After years of development, the company now has all kinds of modern professional equipment and production lines, such as metal punching equipment, phosphate cleaning equipment, automatic spraying equipment, packaging lines, and complete product testing equipment.

The company has been awarded the honorary title of "Advanced Enterprise", "Contract Compliance and Trustworthiness Enterprise" and so on, and has passed the BSCI / WALMART / WCA audit,and the products have passed the LFGB / FDA testing.

Through years of international trade and market development, we have established extensive and close customer relationships around the world, and the products are exported to the America, Europe, Russia and other more than 70 countries and regions.
